

Library Activity 2

Directions: The following assignment should facilitate your completion of the test critique paper. I want you to decide what test you plan to critique and to locate one article that reviews this test. Please fill in the spaces below with the appropriate information and turn in this page on Tuesday, March 8th. There is no class on Thursday, March 3rd.

Name: _____

Name of test I am using for my Test Critique Paper:

Title and author of article I located to use for my paper:

Where did you find this article? (Mental Measurements Yearbook, Test Critiques, journal, book, etc.)

According to the article, what is the reliability and validity for the test you are using for your paper?

Reliability: _____

Validity: _____
